About The Dripping Springs Education Foundation

Founded in 1992 to support academic achievement, the foundation awards grants to teachers in the district to enrich their classrooms, encourage and support excellence in teaching and foster student participation in special projects that would not be funded in the school budget. Scholarships have been awarded to students based on exemplary leadership. The foundation is embarking on an expanded course to foster greater participation and collaboration between the growing business community and the school district. The foundation is a non-profit 501C (3) organization. For more information, to donate or to volunteer to help with any of the foundations events please visit <http://www.dseducationfoundation.org/>
